Legend

- NS Not Supported : Four J's doesn't support the platform.
- (1) End of life of the platform is relative to the Operating System lifecycle specified by its vendor - See Appendix A below.
- Package OS Code Code of the OS in the package name ie: fjs-f4gl-3.55.xx-<code>.sh

- BDL Four J's Universal Compiler (Runtime/Development)
- WSE Web Services Extension
- WTK Windows Front End
- WEBFE Web Front End
